In order for a resident to claim a missing or vandalised bin(s), the applicant is to comply with the following requirements;

1. Residents must provide a statutory declaration signed by a Justice of the Peace (or duly authorised Officer) on the back of this form in order to secure a new Council Bin free of charge.
2. If a Bin is damaged other than by any fault of the Council, then the owner is liable for all costs to repair or replace the Bin.
3. If a Bin has been damaged by the waste collection contractor or has a manufacturing fault, then Council will arrange for it be replaced at no cost to the resident.
4. Council manages all repairs or replacements of Bins except for green organic bins.
5. Council may undertake kerbside retrievals of any Bins reported as stolen or missing in instances where the location of the Bin is known to Council. In this case, Council will place a notice (by way of a letterbox drop to surrounding properties) to advise that the Bin has been retrieved by Council due to unauthorised use, and requesting that any property without a "standard suite" of bins should contact Council to arrange for new/replacement bins as required.
6. If your bin needs to be **repaired** please fill in the on-line [bin repair request form](#) or call East Waste 8347 5111
