

**Our Ref No. C24/356**

25 June 2025

To the Homeowner, Tenant or Business Owner  
123 Prospect Road  
PROSPECT SA 5082

Dear Homeowner or Tenant,

## WEEKLY FOGO TRIAL UPDATE

**Thank you** for your continued participation in the Weekly Food Organics and Garden Organics (FOGO) collection trial, which began in September 2023.

We're pleased to share that **95% of households and businesses are actively participating, with an impressive average landfill diversion rate of 70%** over the past year. This meets the State Government's 2025 target and reflects our community's strong commitment to reducing waste and associated landfill fees as well as protecting the environment.

### WEEKLY FOGO SERVICE TO CONTINUE AND EXPAND!

In recognition of these positive results, and in anticipation of potential changes to State Waste Legislation, Council has decided to extend the Weekly FOGO Trial until **30 June 2026**. This means no changes to your current service, so you can continue to reap the benefits of weekly green bin and fortnightly red bin collections. **Your updated weekly FOGO collection calendar is enclosed.**

In addition, we are planning to expand the weekly FOGO service to two additional collection days across the Council area in the 2025/26 financial year. This will help more residents and businesses benefit from improved organics recycling.

### NEED ASSISTANCE?

If you have any concerns about bin capacity or service suitability, please contact East Waste on 8347 5111 or [east@eastwaste.com](mailto:east@eastwaste.com).

### COMPOSTABLE BAGS

Collect a free roll at Payinthe, 128 Prospect Road. Additional certified compostable liners are available at local supermarkets or as barrier bags in the fruit and veg section. Look for the certification logos AS 4736 or AS 5810.

Thank you for helping lead the way in waste reduction.  
Together, we're making a real difference.

Warm regards,

**Sam Dilena**  
Acting Chief Executive Officer

## FOOD SCRAPS GO IN THE GREEN FOGO BIN

About 36% of red bin waste is FOGO, compostable packaging, and pet waste.

Collect compostable material including food scraps, tissues, hair, and nail clippings in your kitchen caddy, then place them in the green FOGO bin (no plastic bags).

Council provides a kitchen caddy and yearly supply of compostable bags.
