

Our Ref No. C24/356

25 June 2025

To the Homeowner, Tenant or Business Owner
123 Prospect Road
PROSPECT SA 5082

Dear Homeowner or Tenant,

WEEKLY FOGO TRIAL UPDATE

We're pleased to share that **95% of households and businesses are actively participating**, achieving an impressive **average landfill diversion rate of 70%** over the past year. This meets the State Government's 2025 target and reflects our community's strong commitment to reducing waste and associated landfill fees as well as protecting the environment.

WEEKLY FOGO SERVICE TO CONTINUE AND EXPAND!

In recognition of these positive results, and in anticipation of potential changes to State Waste Legislation, Council has decided to extend the Weekly FOGO Trial until **30 June 2026**. This means no changes to your current service, so you can continue to reap the benefits of weekly green bin and fortnightly red bin collections. **Your updated weekly FOGO collection calendar is enclosed.**

In addition, we are planning to expand the weekly FOGO service to two additional collection days across the Council area in the 2025/26 financial year. This will help more residents and businesses benefit from improved organics recycling..

WHY TRIAL WEEKLY GREEN ORGANICS COLLECTION?

Most household waste is compostable organic waste from the kitchen and the garden, while landfill bins are often only half full. Increasing green bin collection makes sense for better managing this waste stream.

YOUR CHANCE TO OPT BACK IN!

We understand that circumstances may have prevented you from participating before. If things have changed, we invite you to give Weekly FOGO another go! Contact East Waste on (08) 8347 5111 or email east@eastwaste.com to discuss your options. **Your updated collection calendar is enclosed.**

NEED ASSISTANCE?

If you have any concerns about bin capacity or service suitability, please contact East Waste on 8347 5111 or east@eastwaste.com.

COMPOSTABLE BAGS

Collect a free roll at Payinthe, 128 Prospect Road. Additional certified compostable liners are available at local

supermarkets or as barrier bags in the fruit and veg section. Look for the certification logos AS 4736 or AS 5810.

Thank you for considering opting back in to the weekly FOGO service. In doing so, you'll be helping lead the way in waste reduction. Together, we're making a real difference.

Warm regards,

Sam Dilena
Acting Chief Executive Officer
